Submitted to His Highness

I submit for perusal, a D.O. letter dated 3rd April ~~addressed by~~ from Major Drake Brockman, officiating Senior Surgeon and Sanitary Commissioner, making certain remarks about the orders of the Government of India communicated in Mr. Rennie's D.O. dated 8th February 1908, declining to allow the grant of any special fees to the Senior Surgeon for his Palace duties.

The Government of India having given a final decision in the matter, I do not think that the D.O. letter calls for any action.

OFFICE OF THE SENIOR SURGEON AND
SANITARY COMMISSIONER WITH THE GOVERNMENT
OF MYSORE,

Bangalore, 3rd April 1908.

D. 7314
Med. 177-07
Sl no. 3

Dear Sir,

Your letter No.9573/Med 177-07-2 to hand for which I thank you. I cannot find any reference in my office on the question of abolition of the appointment of Durbar Surgeon & as to whether the Senior Surgeon has ever been consulted prior to steps being taken in the matter. Considering the fact that it was apparently intended by the " Durbar " that he should be ask -ed to undertake the dual duties upon him, I am of opinion that he should certainly have been consulted. Moreover it appears to me strange that if a Durbar Physician should have been con-sidered necessary up till quite recently, such appointment is still more necessary now, when the actual numbers in His High-ness' family have increased and are moreover in the ordinary course of events, still more likely to do so. As regards the statement made respecting the emoluments of the Senior Surgeon comparing " favourably " with those of " similar appointments in British Provinces & under the Foreign Department " I beg res -pectfully to state that neither statement is borne out by facts, for I herewith append a statement made up from the latest ---- Quarterly List of the Foreign Office, in which it will be seen that notwithstanding the work and responsibilities entailed upon

the
